Dear Parents/Guardians,

As we enter the second week of school, please take note of a few friendly reminders. If you are dropping off your child using the South Street entrance, please use the TURN-AROUND lot located at the southern corner of the building. Please, only drop off your child after you have already turned around. This will prevent your child from crossing in front of any cars or buses. Please follow the below rules for safety reasons as well.

- No cars will be permitted past the turn-around lot during arrival times (7:05 a.m. - 7:30 a.m.).
- No cars will be permitted past the turn-around lot during dismissal times (2:10 p.m. – 2:30 p.m.).

We thank you in advance for your support in helping us create the safest environment possible for your children.

On another note, as you know there is ongoing construction on Route 110 at the Sunrise Highway overpass. Please discuss with your children the dangers of crossing Route 110 without using the traffic light. They should always cross at a light, and never cross while traffic is moving.

School pictures will take place 9/13 and 9/14.

Breakfast begins every day at 7:00. It is extremely important for students to eat breakfast either at home or in school every single day.

If you have any questions please do not hesitate to contact me at 631-565-6200.

Edward Plaia
Principal
